

# NOTTINGHAM CITY SCHOOL COUNCIL NETWORK UPDATE

Following the success of the first Nottingham City School Council Network Summit in November 2006, we are pleased to inform you that Nottingham City Children's Services have agreed to fund one year's membership of all schools to the School Councils UK network. The membership will allow City schools to network online with other local schools as well as schools across the country. School councillors as well as teachers will be able to access the website. It is possible for all members of the school council to have their own individual profiles.

The website is full of useful information and free downloads about a variety of issues. There are opportunities to chat, read case studies, play games and take part in online polls.

Your membership starts on 1<sup>st</sup> June 2007 and runs for one year. You will shortly be receiving a letter from Matt Lent at School Councils UK with your username and password.

To help get schools started, we are offering a choice of twilight sessions for school council link teachers. The sessions will be run by School Council UK trainers Margaret Adams and Jane Hyland. They will be held at the College Street Centre (Study Suite) from 4.30-6.00pm on the 4<sup>th</sup>, 11<sup>th</sup>, and 13<sup>th</sup> June. If you would like to attend one of the sessions, please complete and return the reply slip below.
